ARTS & CRAFTS (AC)

In an AC class the first 35 minutes is Original Program. Then for the last 10 minutes children work on a simple "shape-pasting" arts & crafts project offering another means to reinforce word meanings and develop motor skills.

ADV = Advanced *By Application
CC = Continuing Curriculum
RC = Regular Curriculum

In CC classes, students are enrolled for the full school year (Fall + Winter + Spring). New students are not admitted into CC classes in Winter or Spring. Since CC groups are fixed, students continuously build upon the curriculum they learned last session and cover more material during the school year. Students cannot be withdrawn from CC classes after the second class of the Fall session.
